**FOURTH REQUEST FOR ACKNOWLEDGEMENT OF TWO SEPARATE
INFORMATION DISCLOSURE STATEMENTS**

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant again respectfully requests acknowledgement of two Information Disclosure Statements: one filed December 11, 2003; and the other filed January 9, 2004. Both Information Disclosure Statements specifically requested acknowledgment, in the form of an initialed Form PTO-1449, and these requests were repeated in Amendment B, filed February 8, 2006, and in the Third Request for Acknowledgement of Two Separate Information Disclosure Statements, filed via facsimile on June 9, 2006.

The Notice of Allowability mailed May 3, 2006 appears to ignore both initial requests. The same Form PTO-1449, from December 11, 2003, had again been sent back by the Examiner, but without acknowledging the reference that has been repeatedly overlooked (JP 08-95532), and without any explanation for this repeated omission. Regarding the January 9, 2004 Information Disclosure Statement, the Notice of Allowability did not acknowledge either previous request for acknowledgement and consideration of this document. The Third Request, filed June 9, 2006, appears to have been ignored in its entirety.

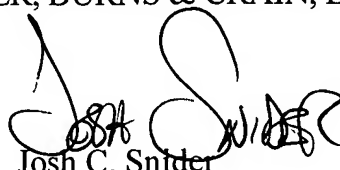

The Patent Office should therefore confirm that all of the references, from both Information Disclosure Statements, are acknowledged and considered (and will therefore be listed on the face of the patent). This confirmation should be sent immediately, so that Applicants may know that the Patent Office has corrected its own error before the case is sent to Publications.

Applicant has once again included copies of both previous Information Disclosure Statements, the related Forms PTO-1449, and the return postcards containing the United States Patent and Trademark Office stamp indicating that all of these documents were received by the Patent Office in a timely manner.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
